Explanations	

Considering the local and global acrylic fiber demand in coming years;

It is decided to increase our production capacity of 330 k tons/year to 365 k tons/year by investing 2 new production lines

The project has a budget of 24 million USD and it is planned to be commissioned in 15 months. Necessary works have been started to benefit from government incentives.

Submitted to the public information.

Yours Respectfully

Material Disclosure Announcement has been prepared in Turkish and in English. In case of any discrepancy between the two versions, Turkish disclosure will prevail
