**ANNOUNCEMENT**

Material disclosures:

Due to downsizing decision of the subcontractor which has been operating in our factory since 2005, in order to maintain our operations continuity, 98 employers of the subcontractor are universally taken over as of 1 April 2013. The increase of personnel will result in the transfer of the expense item which is classified under General Production Expense in our financials as subcontractor cost to be classified under personnel expenses. This will not cause a material increase in our production costs.

Announced to the public.

Kind Regards
