Summary : Investment of DowAksa in Nanotechnology Center of Composites

ANNOUNCEMENT

Material disclosures:

Joint venture of our company, DowAksa Advanced Composites Holdings B.V.(DowAksa) has signed an agreement in Moskow regarding the investments in Nanotechnology Center of Composites Company for which a public declaration had been made in order to announce the signature of letter of intention on 25 January 2013.

DowAksa Advanced Composites Holdings B.V., RUSNANO and Holding Company Composite (HCC) signed an agreement today that clarifies the terms of future investments in the Nanotechnology Center of Composites, which is a joint project of HCC, and the Fund for Infrastructure and Educational Programs (FIEP, a member of RUSNANO Group). Each party – HCC, DowAksa and FIEP – will ultimately own one third of the total charter capital of the Nanotechnology Center of Composites. When legal agreements are finalized in the next several months, DowAksa will become an equal participant of the Nanotechnology Center of Composites. DowAksa is anticipating to take part in the second round of financing of NCC and invest in NCC Charter Capital the amount of approximately 134 Million Rubles (approximately \$4.3 Million USD) which translates to a 33 1/3 percent share. This anticipated investment is included in the current DowAksa 10 year business plan and is funded by the initial investment by Shareholders. HCC and FIEP are also anticipating to take part in the second round of financing and are going to invest their portion of contribution simultaneously with DowAksa.

Kind Regards
