<b>Explanations</b>	

Our fiber production capacity, which is 315,240 tons/year, has been updated to 352,177 tons/year after modernization, efficiency and new product project investments. In the capacity utilization rates to be calculated for May 2019 and after, the total capacity will be considered as 352 thousand tons/year.

Submitted to the public information.

Yours Respectfully

Material Disclosure Announcement has been prepared in Turkish and in English. In case of any discrepancy between the two versions, Turkish disclosure will prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
